

PUBLIC PARTICIPATION AT BOARD MEETINGS
(Districts Designating a Public Comment Period)

To provide for full and open communication between the public and the Board of Education, the Board authorizes the following avenues for the exchange of information, ideas and opinions.

Grievance through Established Policy and Procedure

Students, employees and any members of the public are encouraged to utilize established policies and procedures for offering suggestions or addressing concerns and complaints prior to bringing the issue before the Board. The Board believes that many issues can be resolved by communication with teachers, administrators and other staff and may refuse to address an issue if the individual presenting it has not first attempted to resolve the matter through established procedures and policies.

Written Correspondence

Written correspondence may be directed to the Board, through the superintendent, for consideration at a meeting. Copies of all correspondence directed to the Board will be made available to all Board members. Statements of two (2) pages or less are encouraged.

Agenda Items

Any member of the public who wishes to have an item placed on the agenda will present the request in writing to the superintendent or designee. The request must be submitted pursuant to Board policy and received seven (7) days prior to the scheduled meeting. The item will then be appropriately placed on the agenda. The Board reserves the right to impose reasonable restrictions on the number of items to be considered, the number of spokespersons and the speaking time of spokespersons appearing before the Board. If the meeting agenda is full, the Board reserves the right to reschedule an item for the next regular meeting. The Board may refuse to address an issue that has not gone through the appropriate grievance procedure. The Board reserves the right to waive formalities in emergency situations, within the limitations of the law.

Public Hearings

From time to time, the Board will schedule a public hearing to receive input on matters of concern to the community, such as setting the district's tax rate. The public will be provided notice of such hearings as required by law.

Public Comment

A specifically designated time will be set aside for public comments at all regular meetings of the Board of Education. The following rules will be applied to the public comment portion of the meeting:

1. The president must recognize the speaker.
2. The speaker must state his or her name, address, and telephone number for the record.
3. The presentation must be kept brief (under five (5) minutes).
4. No individual will be permitted to speak more than once during this period.
5. The Board president may extend or limit the period of comments at his or her discretion.

6. The Board president may select one (1) or two (2) representatives of a large group to speak to the issue.
7. The Board will take all comments under advisement, and responses to patrons or groups will be made after research and study. The Board may request that an issue be presented as an agenda item at the next regular meeting.
8. Complaints and grievances about school personnel and/or their judgements will not be allowed except in a manner as established elsewhere in the Board's policies.
9. Only items from the posted agenda may be discussed.
