

**Camdenton High School
Late Start Schedule – 2013-2014**

The CHS building leadership team and faculty have developed a late start schedule to provide needed frequency for professional collaboration during the 2013-2014 school year. Additionally, we have shared and discussed our proposal with Dr. White, Mrs. Wall, Mr. Kirksey, and Central Office Administration. The proposed schedule is included below. We have identified specific days to run our late start schedule, as well as possible activities for students arriving at the regular time. As stated, a late start structure in addition to our regularly scheduled early release days next year will provide high school content teams with very similar frequency (approximately twice each month) to our current structure, and we are seeking your approval to proceed with the following schedule.
