EXPLANATION: STUDENT DISCIPLINE - High School

MSBA has revised the definition of "bullying" in this regulation to match the new definition of bullying in policy JFCF, which was modified in response to House Bill 1583 (2016).

MSBA has also revised the definition of "assault." This offense is modeled after the state criminal offenses of assault in the first, second and third degree. As of July 1, 2017, the definitions of those crimes will change, and there will be a criminal offense of assault in the fourth degree. MSBA has amended this regulation accordingly.

MSBA has also added a statement that students may be excluded from honors and awards as a disciplinary consequence. The offense of "sexual activity" was amended to clarify that it only applies to consensual sexual activity. Nonconsensual sexual activity is a crime that must be reported to police and would fall under sexual harassment as well.

MSBA recommends that copies of this document be routed to the following areas because the content is of particular importance to them. The titles on this list may not match those used by the district. Please forward copies to the district equivalent of the title indicated.

DRAFT

STUDENT DISCIPLINE (High School)

No code can be expected to list each and every offense that may result in the use of disciplinary action; however, it is the purpose of the code to list certain offenses which, if committed by a student, will result in the imposition of a specific penalty. Out-of-school suspensions are unexcused absences. School administrators may establish further rules and regulations and in some cases deviate from the handbook for the maintenance of proper school discipline. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law.

Reporting to Law Enforcement

It is the policy of the Camdenton R-III School District to report all crimes occurring on district property to law enforcement, including, but not limited to, the crimes the district is required to report in accordance with law. A list of crimes the district is required to report is included in policy JGF.

A school administrator shall also notify the appropriate law enforcement agency and superintendent if a student is discovered to possess a controlled substance or weapon in violation of the district's policy.

In addition, the superintendent shall notify the appropriate division of the juvenile or family court upon suspension for more than ten days or expulsion of any student who the district is aware is under the jurisdiction of the court.

Documentation in Student's Discipline Record

The principal, designee or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operation of the schools and in accordance with law and policy JGF.

Conditions of Suspension, Expulsion and Other Disciplinary Consequences

All students who are suspended or expelled, regardless of the reason, are prohibited from participating in or attending any district-sponsored activity, or being on or near district property or the location of any district activity for any reason, unless permission is granted by the superintendent or designee. ~~In addition~~ **When appropriate**, the district may prohibit students from participating in activities or restrict a student's access to district property as a disciplinary consequence even if a

student is not suspended or expelled from school, if appropriate. Likewise, a student may become ineligible for or be required to forfeit any honors and awards as a disciplinary consequence.

In accordance with law, any student who is suspended for any offenses listed in § 160.261, RSMo., or any act of violence or drug-related activity defined by policy JGF as a serious violation of school discipline, shall not be allowed to be within 1,000 feet of any district property or any activity of the district, regardless of whether the activity takes place on district property, unless one of the following conditions exist:

1. The student is under the direct supervision of the student's parent, legal guardian, custodian or another adult designated in advance, in writing, to the student's principal by the student's parent, legal guardian or custodian, and the superintendent or designee has authorized the student to be on district property.
2. The student is enrolled in and attending an alternative school that is located within 1,000 feet of a public school in the district.
3. The student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

If a student violates the prohibitions in this section, he or she may be suspended or expelled in accordance with the offense, "Failure to Meet Conditions of Suspension, Expulsion or Other Disciplinary Consequences," listed below.

~~Academic Consequences~~

~~Students who have been assigned out-of-school suspension will be issued a 1% academic deduction per day for class periods missed.~~

As per Mr.
Thompson

Prohibited Conduct

The following are descriptions of prohibited conduct as well as and potential consequences for violations. Building-level administrators are authorized to more narrowly tailor potential consequences as appropriate for the age level of students in the building. All consequences must be within the ranges established in this regulation. In addition to the consequences specified here, school officials will notify law enforcement and document violations in the student's discipline file pursuant to law and Board policy. The attempt to commit an offense is punishable to the same degree as the listed offense.

VIOLATIONS ON BUS/TRANSPORTATION

Bus or Transportation Misconduct (see Board policy JFCC and procedure JFCC-AP) – An important objective of the Camdenton R-III School District and the Camdenton R-III School transportation department is to offer a safe, effective and efficient transportation program. Safety rules for bus riders can be found in procedure JFCC-AP. The rules of conduct and consequences listed have been established to maintain safe passage of students riding buses to and from school. These rules apply while students are on the bus and at, or near, bus stops. Certain discipline problems may occur on a bus that are serious enough to cause the principal(s) to disregard a step-by-step approach and take more significant action to resolve the problems. Violations such as smoking on the school bus, use of profanity, fighting, use of any form of drugs, refusing to follow reasonable directions of the bus driver, and other types of serious misbehavior may result in immediate and/or permanent suspension from riding the school bus. The sequence of consequences may be changed, and other rules may be established as determined necessary by school administrators to ensure proper safety standards.
