

Camdenton R-III School District

# **DISTRICT TECHNOLOGY REPORT**

---

## **MARCH 2015**

# GOALS IN PROGRESS

---

- ✖ Empower District Technology Committee
- ✖ Expand the work of the LCTC Interns by creating a Repair Depot
- ✖ Expand wireless access
- ✖ Update 3-year Technology Plan
- ✖ Provide opportunities for training
- ✖ Provide on-time technical support/helpdesk
- ✖ Maintaining current equipment

# BUDGETING

---

- ✖ Increase in hardware budget over last 2 years
- ✖ eRate reimbursement for Category 2 equipment possible for 2015-16
- ✖ Increase number of mobile devices for students and staff
- ✖ Use existing equipment in OBE and HD as surplus for other buildings

# STAFFING

---

- × Staff to device ratio remains low
- × Training still an essential need; results in frustrated teachers
- × Establish open line of communication at all levels in district
- × Routine maintenance and data security lack attention
- × Unification of efforts and identification of needs across district is a challenge

# PROPOSED CHANGES

---

- ✖ Move from Outlook to Gmail as our email
- ✖ Continue to encourage Google Drive and Classroom
- ✖ Add Cellular Instant Remote Access Points to buses

---
