**Classroom IMPACT Grant recipient Carrie Viebrock**  
*“Two soprano metallophones are very expensive. I wouldn’t have been able to purchase them out of my normal music budgets, so I am very grateful to receive the grant. It enabled me to have more students play instruments at the same time, rather than having a longer wait time. Kind of like the ‘fast passes’ at Disney World, so the kids think!”*

**Foundation Scholarship Recipient Derek Smith**  
*“I think the Foundation provides an integral piece of support for the Lake community. By being a catalyst for students to pursue their academic careers, the Foundation is helping local students see the broader world, learn new things, and be exposed to diverse ideas. I want to give back to those who have helped me, and thanks to the scholarship I received, I have pursued an education that will help me do that. The scholarship was a positive factor in my greater college experience that has shaped who I am and how I view the world.”*

**Educator Scholarship Recipient Nikki Hubbard**  
*“The Foundation scholarship definitely supported my goals toward furthering my education. It meant a lot to me to be awarded the scholarship, not only because of the financial benefit, but also for the recognition that I’m doing the right thing by advancing my teaching skills and upgrading the education I’m giving my students.”*

## MAKE A DIFFERENCE

Your tax deductible financial gift to the Foundation ensures additional avenues for enhancing the educational opportunities of Camdenton students and staff.

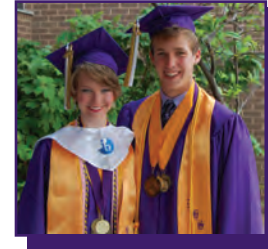

The Foundation encourages charitable giving by all community and family partners: parents, alumni, individuals, and businesses. It is easy to invest in the Foundation’s charitable efforts:

✓ **Make an outright gift**

Your contribution begins to benefit the school district right away - providing funding for worthy programs such as graduating senior scholarships, Educator Scholarships and Classroom IMPACT Grants.

✓ **Scholarships**

Your scholarship gift can honor a teacher, mentor, or a level of achievement in an academic, athletic, or extra-curricular discipline. There are countless ways to acknowledge your legacy and reward those individuals and institutions that have had a positive impact on the person you have become.

✓ **Endowments**

A gift that never stops giving, an endowment is a permanent savings plan that spends only the interest produced by the account each year.

✓ **Special Projects**

Special projects provide opportunities to support class or individual projects that are dear to your heart. Classroom grants for exceptional learning projects also need funding.

✓ **Planned Gifts**

The donation of real property, stocks, bonds, trusts, life insurance, and bequests to the Foundation help build our endowment for the future. A beneficiary of estate gifts helps secure programs for future generations.

## THE FOUNDATION SUPPORTS...

- **Scholarships** for graduating seniors and educators
- **Teachers** launching or enhancing creative and innovative projects that impact students
- **Programs** endorsed by the district that require supplemental funding
- **Opportunities** and **Resources** that enrich and expand learning opportunities for students and staff
- **Recognition** of Distinguished Alumni, Outstanding Education Professionals, Friends of the District annually with the Hall of Leaders

*The Foundation develops funds to continue a tradition of enriching and supplementing the Camdenton R-III School District’s excellent programs.*

## MISSION STATEMENT

To generate and manage resources to enhance learning opportunities for students and staff in our School District.

## THE VISION

Create and perpetuate community awareness of the need to enhance the educational opportunities of the students and staff of the District through planned giving.

# HISTORY

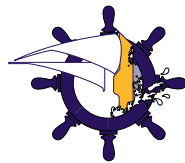

After several years of planning, the Camdenton R-III School District Education Foundation, Inc., was officially incorporated on January 11, 2001, as a not-for-profit corporation for charitable and educational purposes within the meaning of section 501(c)(3) of the Internal Revenue Code. Because it is a non-profit tax exempt corporation, all contributions to the Foundation are tax deductible, whether from individuals, organizations, or businesses. The Education Foundation is a joint partnership opportunity with the Camdenton R-III School District, and the community.

## EDUCATION FOUNDATION

The Foundation is currently managed by a fifteen member Board of Directors, who serve three-year terms.

This Board is made up of community members, two representatives of the Camdenton R-III Board of Education, and the Superintendent of Schools.

*"Steering the Course for the Future"*

12th Annual Elegant Evening  
*Steering the Course for the Future*  
April 25, 2014

Welcome to your star-lit, lively and lovely Elegant Evening! Tonight, you'll revel at fascinating art work. You'll relax and enjoy the scrumptious dinner. You'll be moved, motivated, scientifically enthralled and entertained. You'll swing to jazzy music. All of this is made possible by your tremendously talented and dedicated Camdenton R-III students! Everywhere you cast your glance tonight you will witness our stars as they glide by you sharing their light and enticing you with their energies.

Sharing your energies is to be commended. I wish to personally thank each and every one of you for giving your time, effort and attention as you enjoy your evening tonight. The saying goes, *"As you give, so shall you receive."*

Our students and staff *give* of themselves tremendously; they also *receive* --- time and time again they achieve accolades. Students have received number one ratings in music, state culinary medals, District sports titles, state sweeps in science research, world-ranking robotics teams, all with the foundation of high, overall district academic achievement. The Camdenton R-III School District Education Foundation, Inc., is proud to play a part in honoring these students and staff in their solid journeys of excellence and extensions.

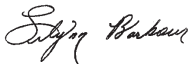

Because of your generous support, we can honor and encourage our students, with over 76 individual higher educational scholarships to pursue their dreams. Because of you, we have empowered our staff to help fund their education also with our six, soon to be nine, new educator scholarships. Our staff reaches higher so our students can achieve higher. Because of our staff's payroll deductions, Classroom Impact Grants are funded. With these thoughtful, yearly grants our teachers and students utilize new books, computers, smart boards and musical instruments to name just a few items. Items that are up-to-date and used efficiently are important but also important are individuals.

Jody Nichols Newman is one outstanding educator who will be honored this evening for her decades of providing students and staff with stellar service to our district. Her induction into our Hall of Leaders will daily inspire our students and staff to aim high as they glance up and see her smiling face among other honored individuals.

Many caring individuals make this evening possible. In addition to the students' energies, the Camdenton R-III School District Education Foundation, Inc., has 15 directors and a fabulous secretary who together work along-side our team of dedicated district staff, caring volunteers, and beloved benefactors. I wish to sincerely thank them also. We all work diligently to bring you our showcase of our stellar students.

We hope you will continue to support our *"Shining Students"* in word and monetary deed. Kindly, if you're moved tonight, or tomorrow, or a time in the future, reflect on your Elegant Evening and graciously give. We are just a friend away, a phone call away, and now a click away on our school's website, to support our deserving youth, our bright tomorrow, our firmament here on earth, and our fabulous Laker Nation. Enjoy your radiant Laker Nation tonight as our students constellate your Elegant Evening!

With abundant Laker pride, servitude, and smiles,

Selynn M. S. Barbour

President, Camdenton R-III School District Education Foundation, Inc.

Treasurer, Camdenton R-III School District School Board

# Education Foundation Scholarships

\*Denotes recipient of RC Worthan Scholarship

\*\* Denotes recipient of both Foundation and RC Worthan Scholarship

The Camdenton School District Education Foundation scholarships were started with the Class of 2004. From 2004 through 2013, 75 scholarships have been awarded. Students awarded this scholarship are selected from the top 10% of their graduating class.

The RC Worthan Foundation scholarship was established in 2005. Students awarded this scholarship are selected from the top 25% of their graduating class. These students have a 95% attendance rate and are entering the field of education, medicine, or ministry.

On May 21, the 2014 Education Foundation Scholarship Recipients will be announced during the high school senior academic awards assembly.

# 2014 Hall of Leaders Recipient

---

## Jody Nichols Newman Outstanding Educational Professional

Jody Nichols Newman served public education from 1959 until her retirement in 1995. Known affectionately as Mrs. Newman by thousands of former students, she was always far more than simply “teacher” to those who knew her. In 1966, after teaching in Raytown and at School of the Osage, Jody became a teacher at Osage Beach Elementary where she demonstrated her unwavering commitment to her students, her community and the district. Whether it was in leadership style, education, or community involvement, she was always ahead of her time. In 1977 Jody became the Building Principal at Osage Beach Elementary.

During Jody’s nearly 20 years as principal at Osage Beach Elementary, she developed and implemented a leadership style (incorporating shared decision making and stakeholder buy-in) long before this style became the norm. She was an instructional leader who always sought consensus and community involvement in decision making. She knew how to grow her staff, students and community and she experienced an exceptional level of trust, faith and support from all with whom she came in contact. She helped staff evaluate, implement and incorporate new instructional approaches and strategies into the classroom. New technologies, programs and ideas were considered in the context of the students’ needs.

Believing that a successful school was one that existed to serve its entire community, Jody demonstrated in her own classroom, and was a role model to her staff and families, that Osage Beach Elementary functioned as part of the Lake community. She was considered the cornerstone of the school for 28 years, always providing a positive atmosphere for all students and their families. Her love for children and their education was evident in

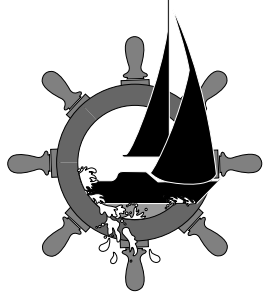

each decision she made. Children always came first. Her fellow teachers mirrored this passion, and the student body felt this love and dedication.

Her colleagues respected her leadership style as she crafted and lead an effective, community-centered school. Learning came first, followed closely by truly knowing her students and their families. Jody loved learning, and it showed in all aspects of the school community. Her former students speak fondly of their memories of her and Osage Beach Elementary. They knew she was a strong advocate for not only them, but also for their school.

Jody holds a Bachelor of Science in Education from the University of Missouri as well as a Masters in Curriculum and Instruction, Elementary Education Certification and Principal Certification. She was honored as Teacher of the Year and is a Distinguished Alum of School of the Osage. She is active in the community serving on the Mid-Missouri Mental Health Board, Camden County Library Board, and she currently volunteers at the Miller County Museum and Lake Regional Hospital.

Because of her dedication, leadership, and passion for education, we are pleased to welcome Jody Nichols Newman as the 2014 Hall of Leaders Outstanding Educator Inductee.

# *Fine Arts Outstanding Student Awards*

To receive this award, the director from each department selects one senior student who has participated in the Elegant Evening presentation a minimum of two years. Students receive the award as well as a gift of \$250.00. However, the departments of art, choir, and drama, selected two students who will share the honor at \$125.00 each.

## Enjoy Your Culinary Experience

*Master Chef  
Jackie Wilson*

Culinary Arts students at the Lake Career & Technical Center have prepared a dinner for the evening built around the fresh flavors of spring. The meal will begin with a “Salad Bar.” The Pina Colada Salad is a refreshing combination of romaine lettuce, pineapple, dried cherries, and crisp bacon, drizzled in a coconut dijon emulsion, and topped with toasted macadamia nuts and coconut. It will be accompanied by housemade herbed flatbreads.

For the main course, students have prepared grilled filet mignon and lemon chicken served with a light lemon and white wine sauce. This is accompanied by Smashed Red Potatoes with fresh chives from our garden, and Sauteed Brussels Sprouts, which is part of our Culinary Missouri State Champion menu.

The Foundation Committee selected the dessert to be served tonight from among eight entries presented at a tasting by the Culinary Arts students. The winning dessert is a The Classic French Opera Cake, along with a White Chocolate Mousse Tart with fresh fruits in season, and finished with the prize-winning Salted Caramel Brandy Bonbon. This dessert is a combination of ideas prepared and submitted by Culinary Arts students Logan Blair, Antonio Douglas, Aspin Hill, Phelan Huntsman, Tyler Redman, and Travis Scrivener.

Before the first course, students will shake the “Pina Coladas” in a martini shaker, and turn them out into martini glasses. Students who will be shaking salads are:

Antonio Douglas assisted by Phelan Huntsman

Aspin Hill assisted by Paije Rynski

Arizbeth Jimenez assisted by Logan Blair

The Culinary Arts Program offers three classes for students. Freshmen and sophomores who want to explore the culinary arts field may enroll in Culinary Careers, a one-hour semester course. This year, the students have learned some of the basics of safety, sanitation, and measuring techniques, as well as various types of careers in the food industry which they displayed in a Career Fair.

Restaurant Skills is a two-hour, year long course for sophomores and juniors who receive a variety of experiences in both the front and back of the house. Students set up the dining room and serve events, as well as do back-up cooking for events, including cake decorating. Their service uniform consists of black pants, white shirt, black bowtie, and black tuxedo apron.

Culinary Arts is the culminating 3-hour, yearlong course, which focuses on cooking principles and techniques in the back-of-the-house. Students may enroll in this course for two years. This year, there are thirteen first-year students and six returning second-year students who have prepared and served around 40 events for anywhere from 5 to 500 guests. Their uniforms consist of black and white checked pants (which designate a culinary student) and chef coats. Students with white coats and white toques (hats) are first-year students in the class, and those with black coats and black toques are second-year students who work on advanced skills and serve as mentors to the first-year students.

*Camdenton R-III School District Education Foundation  
Board of Directors*

### MISSION STATEMENT

**THE CAMDENTON R-III SCHOOL DISTRICT EDUCATION FOUNDATION'S MISSION IS TO GENERATE AND MANAGE RESOURCES TO ENHANCE LEARNING OPPORTUNITIES FOR STUDENTS AND STAFF IN OUR SCHOOL DISTRICT.**

**THE CAMDENTON R-III SCHOOL DISTRICT EDUCATION FOUNDATION, INC., IS A JOINT PARTNERSHIP OPPORTUNITY WITH THE CAMDENTON R-III SCHOOL DISTRICT AND COMMUNITY LEADERS.**

**THE CAMDENTON R-III SCHOOL DISTRICT EDUCATION FOUNDATION, INC., IS A 501(C)(3) CHARITABLE ORGANIZATION.**

*With Thanksgiving at hand, we have so much to be grateful for at the Camdenton R-III School District's Education Foundation.*

*Thanks to your time, effort and support, we've accomplished a great deal **for our students** since our inception in 2001.*

*For giving back to Camdenton School District, we express our heartfelt appreciation to you.*

Please save the date **Friday, April 25, 2014** for the 12th Annual Elegant Evening.

*With Laker Pride, we wish you a very Happy Thanksgiving!*

**The Camdenton R-III School District Education Foundation, Inc.**
