Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made for one of your *covered dependents*, his or her name should also be noted.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

Accident and Health Claims Provisions (Cont.)

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But, we will pay health care benefits, with or without a written authorization from you, if the recognized provider of health care is a public hospital or clinic that has submitted a proper claim, and if such health care benefits have not previously been paid to you. But we can't tell you that a particular provider provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

An Important Notice About Continuation Rights

The following "Federal Continuation Rights" section may not apply to the employer's plan. The employee must contact his employer to find out if: (a) the employer is subject to the "Federal Continuation Rights" section, and therefore; (b) the section applies to the employee.

CGP-3-R-NCC-87

B240.0064

YOUR CONTINUATION RIGHTS

Federal Continuation Rights

Important Notice This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

Conversion Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

If Your Group Health Benefits End If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

Extra Continuation for Disabled Qualified Continuees If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

Federal Continuation Rights (Cont.)

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

CGP-3-R-COBRA-96-1

B235.0164

If You Die While Insured If you die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

CGP-3-R-COBRA-96-2

B235.0075

If Your Marriage Ends If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

If a Dependent Child Loses Eligibility If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

Concurrent Continuations If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

Special Medicare Rule If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

The Qualified Continuee's Responsibilities A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Federal Continuation Rights (Cont.)

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

CGP-3-R-COBRA-96-3

B235.0178

Your Employer's Responsibilities

A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

Your Employer's Liability

Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

Federal Continuation Rights (Cont.)

Election of Continuation To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

When Continuation Ends A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;

Federal Continuation Rights (Cont.)

- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

Uniformed Services Continuation Rights

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

YOUR CONTINUATION RIGHTS

Important Notice

This section applies to an employee's group term life benefits. These benefits are referred to as "group life benefits."

This section does not apply to accidental death and dismemberment benefits.

A Totally Disabled Employee's Right to Continue Group Life Benefits

If an Employee is Totally Disabled If an employee's group life benefits end while the employee is totally disabled, he may continue such benefits for a limited period of time subject to the payment of premiums.

In this section, an employee is totally disabled if: (a) he is not able to engage in his regular occupation, or any other occupation for which he is qualified by reason of his education, training or experience; and (b) he becomes so disabled while insured by this group plan.

This continuation will end on the later of: (a) six months, starting on the date the total disability began; or (b) for employees who meet our standard for total disability under the extended life benefits section of this plan, the end of the waiting period which applies to the permanent disability provision under that section.

The monthly premium the employee must pay to continue his group life benefits will be the amount which he would have been required to pay had he stayed insured by this group plan on a regular basis. He must make this payment to his employer at the times and in the manner specified by his employer. If the employee fails to pay this amount on time, he waives his right to continue his group life benefits.

If the employer fails, after timely receipt of any required employee payment, to pay us on behalf of such employee, thereby causing the employee's group life benefits to end, then the employer will become liable for the employee's group life benefits to the same extent as, and in place of, us.

When the Continued Group Life Benefits End An employee's continued life benefits end on the first of the following:

- (a) the end of the applicable continuation period;
- (b) the end of the period for which the last total monthly premium payment was made to us;
- (c) the date the group plan ends or is amended to end benefits for the class of employees to which the employee belonged;
- (d) the date the employee is no longer totally disabled; or

A Totally Disabled Employee's Right to Continue Group Life Benefits (Cont.)

- (e) the date the employee is approved by us in writing for coverage under any permanent disability provision of the extended life benefits section of this plan.

Conversion Rights and Extended Life Benefits Any applicable conversion rights will still be in effect when the continuation period ends. Continuing his group life benefits under this section does not stop an employee from claiming his rights under the extended life benefits section of this plan.

CGP-3-R-CC-MO-83

B240.9007

Dependent Continuation Rights

Important Notice This section applies to the hospital, surgical, major medical, dental, vision care and prescription drug expense coverages only. In this section, these coverages are referred to as "group health benefits."

This section does not apply to coverages which provide benefits for loss of life or loss of income due to disability. These coverages, if provided, cannot be continued under this section.

Any continuation of group health benefits under this section shall be subject to all of the terms and conditions of this plan.

If an Employee's Marriage Ends or If an Employee Dies While Insured If an employee's marriage ends by legal separation or divorce, or if an employee dies while insured, his or her then insured spouse may continue this plan's group health benefits after federal continuation ends, subject to all the terms below and to the timely payment of premiums. Such group health benefits will cover such spouse and those of the employee's dependent children whose group health benefits would otherwise end.

How and When to Continue the Group Health Benefits: To continue the group health benefits, the employee's spouse must:

- (a) be insured for group health benefits under this plan at the time the marriage ends or the employee dies;
- (b) be age 55 or older when federal continuation ends;
- (c) in the case of a divorced or separated spouse, give notice to the employer within 60 days of legal separation or divorce, or prior to the expiration of a 36 month federal continuation;
- (d) in the case of a surviving spouse, give notice to the employer within 30 days of the employee's death, or prior to the expiration of a 36 month federal continuation; and
- (e) elect to continue the group health benefits, provide current mailing address and pay the first monthly premium. This must be done within 60 days after receiving a written notice of continuation rights from the employer. The notice will be sent to the spouse's last known address within 14 days of receipt of notice of the employee's divorce, legal separation or death.

Dependent Continuation Rights (Cont.)

The notice of continuation rights will: (i) contain a form for electing to continue the group health benefits; and (ii) explain all the details for continuing the group health benefits, including:

- (a) the duration of the continuation coverage;
- (b) the monthly premium that must be paid to continue the group health benefits; and
- (c) the times and manner in which premium payments must be made.

If the employee's spouse fails to give the employer notice or fails to pay any premium on time, he or she waives his or her right to continue the group health benefits under this plan.

If the employer fails to provide the spouse with written notice of his or her continuation rights, after being notified by the spouse as explained above, the spouse's coverage will continue in effect. His or her obligation to make premium payments will be postponed, but not reduced or eliminated, for the period of time beginning on the date his or her coverage would otherwise end until 31 days after the date the employer provides the required notice.

When Continuation Ends This continuation ends for each covered person on the earliest of the following:

- (a) the end of the period for which the last premium payment was made;
- (b) the date the group plan ends and is not replaced;
- (c) the date the covered person becomes insured under another group plan;
- (d) the date the spouse remarries;
- (e) the date the spouse reaches age 65; or
- (f) with respect to each insured dependent, the date such dependent ceases to be an eligible dependent as defined in the group plan.

The Right to Convert At the end of the continuation period under this section, conversion rights which the covered person may be entitled to shall be available to him or her according to the terms of the plan.

CERTIFICATE AMENDMENT

(To be attached to certificates issued to employees)

Group Policy No.: G-00477134-

Issued to: CAMDENTON RIII SCHOOL DISTRICT

Amendment Effective: Effective September 4, 2009, or the earlier of the effective date of any major medical, prescription drug, dental or vision coverage under this plan; or your first renewal on or following September 4, 2009

This rider amends this plan's group health benefits provisions so that the following is added to this plan:

YOUR CONTINUATION RIGHTS

State MoCOBRA - For Employer Groups of 2-19

Important Notice This section applies only to any major medical, dental, vision and/or prescription drug coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverage for loss of income due to disability. This coverage can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) a covered active employee or qualified retiree ; (b) the spouse of a covered active employee or qualified retiree; or (c) the dependent child of a covered active employee or qualified retiree. A child born to, or adopted by, the covered active employee or qualified retiree during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

Conversion Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

If Your Group Health Benefits End If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

State MoCOBRA - For Employer Groups of 2-19 (Cont.)

Extra Continuation for Disabled Qualified Continuees If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

To elect the extra 11 months of continuation, a qualified continuee must give ADP COBRA Services (ADP) written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify ADP within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

An additional 50% of the total cost of coverage also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

Special Continuance for Retired Employees and their Dependents If your group health benefits end due to a bankruptcy proceeding under Title 11 of the United States Code involving the employer, you may elect to continue such benefits, provided that

- (a) you are or become a retired employee on or before the date group health benefits end; and
- (b) you and your dependents were covered for group health benefits under this plan on the day before the bankruptcy proceeding under Title 11 of the United States Code.

The continuation can last for your lifetime. After your death, the continuation period for a dependent can last for up to 36 months.

For purposes of this special continuance, a substantial elimination of coverage for you and your dependents within one year before or after the start of such proceeding will be considered loss of coverage.

If you die before the bankruptcy proceeding under Title 11 of the United States Code, your surviving spouse and dependent children may elect to continue group health benefits on their own behalf, provided they were covered on the day before such proceedings. The continuation can last for your surviving spouse's lifetime.

This special continuance starts on the later of: (a) the date of the proceeding under Title 11; or (b) the day after the date group health benefits would have ended. It ends as described in "When Continuation Ends", except that a person's entitlement to Medicare will not end such continuance.

State MoCOBRA - For Employer Groups of 2-19 (Cont.)

If Your Marriage Ends If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

If a Dependent Child Loses Eligibility If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

Concurrent Continuations If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, either: (a) the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above; or (b) you become entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

Special Medicare Rule If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months(29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

The Qualified Continuee's Responsibilities A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child(c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Notice of an event that would qualify a person for continuation under this section must be given to your employer within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses(or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to you and this plan's procedures for providing such notice.

State MoCOBRA - For Employer Groups of 2-19 (Cont.)

Notice of a disability determination must be given to your employer within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to you and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

Your Employer's Responsibilities

Your employer must notify the qualified continuee, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Such written notice must be given to the qualified continuee within 14 days of: (a) the date a qualified continuee's group health benefits would otherwise end due to your death or your termination of employment or reduction of work hours; (b) the date a qualified continuee notifies your employer, in writing, of your legal divorce or legal separation from your spouse, or the loss of dependent eligibility of an insured dependent child; or (c) the date your employer declares bankruptcy under Title 11 of the United States Code.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

Your Employer's Liability

Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

State MoCOBRA - For Employer Groups of 2-19 (Cont.)

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

When Continuation Ends A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;
- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 20 hours per week), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

When Your Coverage Starts

Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

**Delayed Effective
Date For Employee
Optional Life
Coverage**

With respect to this *plan's* employee optional group term life insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

CGP-3-DEF-97

B270.0384

**When Your
Coverage Ends**

Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this *plan*, or when this *plan* ends for all employees. And it ends when this *plan* is changed so that benefits for the class of employees to which you belong ends.

It ends on the date you are no longer working in the United States unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning issued by the US Department of State; or (2) for which we have agreed, in writing, to provide coverage.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

An Employee's Right To Continue Group Life Insurance During a Family Leave Of Absence

Important Notice This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

Continuation of Coverage Life coverage may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue this coverage.

If Your Group Insurance Would End Group life insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

When Continuation Ends Coverage may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.
- The end of the period for which the premium has been paid.

Dependent Coverage

Eligible Dependents For Optional Dependent Life Benefits Your *eligible dependents* are: your legal spouse who is under age 70; and your unmarried dependent children who are 14 or more days old, until they reach age 26 and your unmarried dependent children, from age 26 until they reach age 26, who are enrolled as full-time students at accredited schools.

Dependent Coverage (Cont.)

Adopted Children And Step-Children Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted from the time the child is placed in your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

Dependents Not Eligible We exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.0

B264.0587

Proof Of Insurability We require *proof* that a dependent is insurable, if you: (a) enroll a dependent and agree to make the required payments after the end of the *enrollment period*; (b) in the case of a newly acquired dependent, other than the first newborn child, have other eligible dependents who you have not elected to enroll; or (c) in the case of a *newly acquired dependent*, have other *eligible dependents* whose coverage previously ended because you failed to make the required contributions, or otherwise chose to end such coverage.

A dependent is not insured by any part of this *plan* that requires such *proof* until you give us this *proof*, and we approve it in writing.

If the dependent coverage ends for any reason, including failure to make the required payments, your dependents won't be covered by this *plan* again until you give us new *proof* that they're insurable and we approve that *proof* in writing.

CGP-3-DEP-90-5.0

B200.0288

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A newly *acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the date the newly acquired dependent is first eligible, if you notify us and agree to make any additional payments within 31 days after the date the dependent becomes eligible. If you do this more than 31 days after the date the dependent becomes eligible, a *newly acquired dependent* will be covered from the date you notify us and agree to make any additional payments.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. A copy of the approved application is furnished to you.

CGP-3-DEP-90-6.0

B264.1129

Exception If a dependent, other than a newborn child, is confined to a *hospital* or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

B200.0692

When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your employee coverage ends. Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment, and with respect to optional life coverage, it happens at 12:01 a.m. on the date the spouse reaches age 70.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

Your Optional Group Term Life Insurance

- Life Benefit** Subject to the limitations and exclusions below, if you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule for the plan of benefits you have elected. Your life benefit may be subject to reductions based on your age. These reductions are also shown in the schedule. Your benefit amount, a portion thereof, or increases in such amount may not become effective until you submit *proof of insurability* to us, and we approve it in writing. These requirements are also shown in the schedule.
- Proof of Death** Subject to all of the terms of this *plan*, we'll pay this insurance as soon as we receive written proof of death which is acceptable to us. This should be sent to us as soon as possible.
- Suicide Exclusion** We pay no benefits if your death is due to suicide, if such death occurs within two years from your employee optional group term life insurance effective date under this *plan* and we can show that you intended suicide when you applied for this plan. Also, we pay no increased benefit amount if your death is due to suicide, if such death occurs within two years from the effective date of the increase and we can show that you intended suicide when you applied for this *plan*.
- Seatbelt and Airbag Benefits** If you die as a direct result of an automobile accident while properly wearing a seatbelt, we will increase your benefit amount by \$10,000.00. And if you die as a direct result of an automobile accident while both properly wearing a seatbelt, and sitting in a seat equipped with an airbag, we'll increase your benefit amount by an additional \$5,000.00, for a total increase of \$15,000.00.
- Your Beneficiary** You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving your employer written notice, unless you've assigned this insurance. But the change won't take effect until your employer gives you written confirmation of the change.
- If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his or her share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.
- If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.
- Assigning Your Life Insurance** If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

Your Optional Group Term Life Insurance (Cont.)

We will recognize an assignee as the owner of the rights assigned only if: (a) the assignment is in writing and signed by you; and (b) a signed or certified copy of the written assignment has been received and approved by us.

We will not be responsible for legal, tax or other effects of any assignment, or for any benefits we pay under this *plan* before we receive and approve any assignment.

We suggest you speak to a lawyer before you make any assignment. If you decide you want to assign this insurance, write to us for details.

Payment to a Minor or Incompetent If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

Payment of Funeral or Last Illness Expense We have the option of paying up to \$2,000.00 of this insurance to any person who incurs expenses for your funeral or last illness.

Settlement Option If you or your beneficiary asks us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

Portability Privilege

Applicability This provision applies only to this *plan's* employee and dependent Optional group term life insurance. It does not apply to supplemental life insurance, if any is included in this *plan*. And it does not apply to Accidental Death and Dismemberment Insurance.

Important Restriction You may not elect a portable certificate of coverage unless you have been covered by this group *plan*, or the one it replaced, for employee Optional group term life insurance for at least three consecutive months prior to the date your coverage under this *plan* ends.

Portability Of Optional Group Term Life Insurance You may elect to continue all or part of your employee Optional group term life insurance and dependent Optional group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.

You may port your coverage if coverage under this *plan* ends because you: (a) have terminated employment; or (b) stop being a member of an eligible class of employees.

You may not port your coverage or coverage for any of your dependents, if you: (a) have reached your 70th birthday on the day coverage under this *plan* ends; or (b) are eligible for this *plan's* Optional Group Term Life Insurance Extended Life Benefit.

You may not port your coverage or coverage for any of your dependents if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group *plan*.

Portability Privilege (Cont.)

You may port: (a) the full amount(s) of your Optional term life insurance as of the day your coverage under this *plan* ends, or (b) 50% of such amount, if such amount under this *plan* is at least \$50,000.00.

You may port: (a) the full amount(s) of your dependent Optional term life insurance as of the day your coverage under this *plan* ends; or (b) 50% of such amount(s), if: (i) your dependent spouse amount under this *plan* is at least \$20,000.00; and (ii) your dependent child amount under this *plan* is at least \$4,000.00. However, if you port the full amount of your insurance, any dependent amount(s) ported must be a full amount. And, if you elect to port 50% of your insurance, any dependent amount(s) ported must be 50% of such amount(s).

You may port: (a) your insurance only; (b) your insurance and insurance of your covered spouse; (c) your insurance and the insurance of all of your covered dependents; or (d) if you are a single parent, your insurance and the insurance of all of your covered dependent children. No other combinations will be allowed.

To be eligible to port, a dependent must be insured as of the day your coverage under this *plan* ends.

If You Die While Insured If you die while insured for dependent Optional term life insurance, your spouse may port the insurance of your dependents as described above. But, your spouse and dependents must be insured on the date of death. No dependents will be allowed to port if: (a) there is no surviving spouse; or (b) your surviving spouse has reached his or her 70th birthday on the day you die.

The Portable Certificate Of Coverage You or your surviving spouse can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group *plan*.

The premium for the portable certificate of coverage will be based on: (a) your and/or your dependent's rate class under this plan; and (b) your or your surviving spouse's age bracket as shown in the Optional Life Portability Coverage Premium Notice.

How To Port To get a portable certificate of coverage, you or your surviving spouse must: (a) apply to us in writing; and (b) pay the required premium. You have 31 days from the date your coverage under this *plan* ends to do this. We won't ask for proof that you are insurable.

Defined Term As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

Information About Conversion and Portability

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

THE FOLLOWING PROVISION APPLIES TO YOUR OPTIONAL GROUP TERM LIFE INSURANCE:

Converting This Group Term Life Insurance

If Employment Or Eligibility Ends Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

If The Group Plan Ends Or Group Life Insurance Is Dropped Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$10,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

Converting This Group Term Life Insurance (Cont.)

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

The Converted Policy The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

Interim Term Insurance If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

How And When To Convert To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

Death During The Conversion Period If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

Your Accelerated Life Benefit

IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.

Accelerated Life Benefit If you have a medical condition that is expected to result in your death within 6 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

Your Accelerated Life Benefit (Cont.)

By "group term life insurance" we mean any Employee Optional Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the six month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 6 months.

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 6 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

Maximum Benefit Amount The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$250,000.00; or (b) 50% of the inforce amount.

Discount The amount for which you apply is discounted to the present value in six months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

Processing Fee A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.

Payment of An Accelerated Life Benefit If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.

How And When To Apply To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 6 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

Your Accelerated Life Benefit (Cont.)

We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.

Please read "Your Remaining Group Term Life Insurance" provision for restrictions that may apply.

**If You Have
Assigned Your
Group Term Life
Insurance**

If you have already assigned your group term life insurance, according to the terms of this plan, you can't apply for an Accelerated Life Benefit.

CGP-3-R-EALB-95

B275.0027

**If You Are
Incompetent**

If you are determined to be legally incompetent, the person the court appoints to handle your legal affairs may apply for the Accelerated Life Benefit for you.

**Your Remaining
Group Term Life
Insurance**

The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

The total amount of group term life insurance your beneficiary would otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

Your Accelerated Life Benefit (Cont.)

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit to you if you:

- are required by law to use the payment to meet the claims of creditors, whether or not you are in bankruptcy; or
- are required by court order to pay all or part of the benefit to another person; or
- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- lose your coverage under the group plan for any reason after you elect the Accelerated Life Benefit but before we pay such benefit to you.

Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your optional life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent optional life insurance, you must convert your dependent coverage to an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your optional life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform, on a full-time basis, the material and substantial duties of any occupation, for which you are qualified for by training, education, or experience; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 180 consecutive days.

You are encouraged to apply for this benefit immediately upon the onset of disability.

Extended Life Benefit With Waiver Of Premium (Cont.)

Continued Eligibility For Extended Life Benefit We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

When This Extension Begins Once approved by us, your extended benefit will be effective on the later of:

- (a) 180 consecutive days from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

Once you are approved for this extension, we'll refund all optional term life insurance premiums paid by you from the date of disability.

CGP-3-R-LW-TD-99-1-MO

B275.0165

When This Extension Ends Your extension will end on the earliest of:

- (a) the date you are no longer disabled;
- (b) the date we ask you to be examined by our doctor, and you refuse;
- (c) the date you do not give us the proof of disability we require;
- (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
- (e) the day before the date you reach age 65.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

If You Die While Covered By This Extension If you die while covered by this extension we'll pay your beneficiary the amount for which you were covered as of your last day of active full-time work, subject to all reductions which would have applied had you stayed an active employee.

Proof Of Death We'll pay as soon as we receive

- (a) written proof of your death, that is acceptable to us; and
- (b) medical proof that you were continuously disabled until your death. This must be sent within one year of your death.

Your Dependent Spouse and Child Optional Term Life Insurance

The Benefit Subject to the limitations and exclusions shown below, if one of your dependents dies while insured for this benefit, we pay the amount shown in the schedule for the plan you have elected. We pay this in a lump sum when we receive written proof of death which is acceptable to us. Send the proof to us as soon as possible.

We pay you, if you're living. If you're not, and the dependent was your child, we pay your spouse. If your spouse is not living, we pay the child's living brothers and sisters in equal shares. If there are none, we pay the child's estate. If the dependent was your spouse, we pay your spouse's estate.

Suicide Exclusion We pay no benefits if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the dependent's optional term life insurance under this *plan* and we can show that the dependent intended suicide when he or she applied for this *plan*. Also, we pay no increased benefit amount if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the increase and we can show that the dependent intended suicide when he or she applied for this *plan*.

Seatbelt and Airbag Benefits If a dependent dies as a direct result of an automobile accident while properly wearing a seatbelt, we will increase the benefit amount by \$5,000.00. And if a dependent dies as a direct result of an automobile accident while both properly wearing a seatbelt, and sitting in a seat equipped with an airbag, we'll increase the benefit amount by an additional \$2,500.00, for a total increase of \$7,500.00.

Payment to a Minor or Incompetent If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

Converting This Dependent Term Life Insurance

If Your Group Life Insurance Ends or You Stop Being Eligible Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his or her insurance.

If This Plan Ends or Life Insurance is Dropped Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

If one of the above happens, and your dependents have been insured by a Guardian group plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$10,000.00; and (b) the amount of his or her insurance under this plan less any group life benefits for which he or she becomes eligible in the 31 days after this insurance ends.

If a Dependent Stops Being Eligible A dependent's term life insurance ends when he or she stops being an eligible dependent as defined by this plan. If a dependent stops being eligible, that dependent can convert all or part of his or her insurance.

The Converted Policy The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write to us for details.

How and When to Convert To get a converted policy, the dependent must apply to us in writing and pay the required premium. He or she has 31 days after his or her group insurance ends to do this. We won't ask for proof that he or she is insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him or her.

Death During the Conversion Period If a dependent dies in the 31 days allowed for conversion, we pay the amount he or she could have converted, as stated above. We do this whether or not he or she applied for conversion.

Converting This Dependent Term Life Insurance (Cont.)

Notice of Conversion Right: If your dependent is entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

The notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, the dependent will have an additional period of 15 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

**Delayed Effective
Date For Disability
Coverage**

With respect to this *plan's* disability insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

CGP-3-DEF-97

B329.0103

**When Your
Coverage Ends**

Your short term disability coverage ends on the date your active *full-time* service ends for any reason, except as noted below under "Continuation of Coverage During Disability".

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Continuation of Coverage During Disability

If you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan's* pre-existing condition provision; and (b) the period for which benefits are payable under the *plan*. However, if no benefits are payable under this *plan* due to application of the *plan's* exclusion for a job related injury or sickness, coverage will remain in force until the earlier of the date: (a) you are terminated from employment with the employer; or (b) you have been disabled for six months.

An Employee's Right To Continue Group Short Term Disability Income Insurance During A Family Leave Of Absence

- Important Notice** This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.
- Continuation of Disability Coverage** Short term disability income coverage may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue this coverage.
- If Your Group Insurance Would End** Group short term disability income insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.
- When Continuation Ends** Coverage may continue until the earliest of the following:
- The date you return to active work.
 - In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
 - In any other case: The end of a total leave period of 12 weeks in any 12 month period.
 - The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.
 - The end of the period for which the premium has been paid.

But, it may be less than that shown due to: (a) the date you were first treated for the cause of your *disability*; and (b) the length of time you have been insured by this *plan*. See the section entitled "Pre-Existing Conditions" and the Schedule of Benefits.

B340.0010

Recurring Disability Benefits from this *plan* end if you cease to be *disabled*. But, a later *disability* may be treated as a *recurring disability*, if all of the terms listed below are met:

- (a) You must return to *active work* right after your benefits end;
- (b) The *disability* must recur less than two weeks after you were last entitled to benefits;
- (c) The later *disability* must be due to the same or related cause of your earlier *disability*;
- (d) This *plan* must not end during your return to *active work*;
- (e) You must not become covered under any other similar group income replacement plan during the time you return to *active work*;

- (g) Your benefits must not have ended because you have used up the *maximum payment period*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period*. The *recurring disability* will be subject to all the terms of the *plan* in effect on the date the earlier *disability* began.

If all of the terms listed above are not met, the later *disability* will be treated as a new period of *disability*. You will be required to complete a new *elimination period*. The new period of *disability* will be subject to all the terms of the *plan* in effect on the date the new period of *disability* occurs.

CGP-3-STD07-3.0

B340.0012

Calculation of Weekly Benefit Your benefit is governed by the terms of the *plan* in effect on the date *disability* occurs. Any changes to this *plan* that take place: (a) while you are *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect your benefit.

We calculate your *gross weekly benefit* according to the Schedule of Benefits.

From your *gross weekly benefit*, subtract the amount of any income listed in Other Income Benefits that you receive or are entitled to receive. The result is your *weekly benefit*.

CGP-3-STD07-4.0

B340.0014

Redetermination This *plan* redetermines *insured earnings* for each covered person on the date a change in a covered person's *insured earnings* occurs. The *plan sponsor* must report updates to all covered persons' *insured earnings* as they occur. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

CGP-3-STD07-4.1

B340.0041

Other Income Benefits You may receive, or be entitled to receive, income shown in the list below. We will reduce your gross weekly benefit by such other income benefits to determine your weekly benefit from this plan.

- Commissions or monies from the *employer*: (1) received; (2) payable but deferred; or (3) paid after disability benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; (d) profit sharing; and (e) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the plan sponsor; or (2) the employer. This includes payments made by a group life insurance plan due to your disability. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.

- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
 - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your disability;
 - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
 - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your gross weekly benefit by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of disability. We will reduce the gross weekly benefit by marginal increases in such income you and your dependents were entitled to receive after disability begins.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Income of the type that is included in your insured earnings for purposes of determining your gross weekly benefit under this plan.
- That portion of retirement plan retirement benefits which the employer funds.
- That portion of retirement plan disability benefits which the employer funds.
- Retirement benefits or retirement plan disability benefits, due to your *disability*, from any *government plan* other than those shown above.
- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Unemployment compensation benefits.
- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

CGP-3-STD07-4.2

B340.0657

Other Income Not Subject to Deduction

We will not reduce your *gross weekly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans;
- Income from a sick leave, salary continuance, or Paid Time Off plan.

Lump Sum Payments of Other Income

Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

Cost of Living Freeze

You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

Application for Other Income

You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

CGP-3-STD07-4.3

B340.0105

Adjustment of Weekly Benefit for Disability Earnings

We adjust the *weekly benefit for disability earnings* as follows.

We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

We reduce your *weekly benefit* by 50% of your *disability earnings*.

Method 2:

- (a) Subtract your *disability earnings* from your *insured earnings*.
- (b) Divide the result in (a) above by your *insured earnings*.
- (c) Multiply the result in (b) above by your *weekly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from week to week, we may adjust your *weekly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current week's *disability earnings* and the prior two weeks *disability earnings*.

Maximum Allowable Disability Earnings

This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than 80% of your *insured earnings*.

CGP-3-STD07-5.0

B340.0110

Minimum Payment

The minimum weekly payment for *disability* under this *plan* is the larger of: (a) 15% of your *gross weekly benefit*; or (b) \$25.00.

CGP-3-STD07-5.1

B340.0660

Pre-Existing Conditions

A pre-existing condition is an *injury* or *sickness*, for which, in the look back period, you received medical advice or treatment from a *doctor*.

The "look back period" is the 3 months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

For any *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition, we limit the *maximum payment period* to 2 weeks; unless the *disability* starts after the date you are insured under this *plan* for 12 months in a row.

Disability that is: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if your *disability* starts after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

CGP-3-STD07-6.1-MO

B340.0663

**Prior Coverage
Credit**

If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum weekly benefit* under this *plan* if: (a) it is more than the maximum weekly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum weekly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

CGP-3-STD07-6.2

B340.0053

Exclusions This *plan* does not pay benefits for *disability* caused by, or related to:

- (a) declared or undeclared war, act of war, or armed aggression;
- (b) service in the armed forces, National Guard, or military reserves of any state or country;
- (c) you taking part in a riot or civil disorder;
- (d) your commission of, or attempt to commit a felony, for which you have been convicted;
- (e) your voluntary use of any poison, chemical, prescription or non-prescription drug or controlled substance unless: (a) it was prescribed for you by a *doctor*; and (b) it was used as prescribed. In the case of a non-prescription drug, we do not pay for any loss resulting from or contributed to by your use in a manner inconsistent with package instructions. A controlled substance is anything called a controlled substance in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970, as amended from time to time;
- (f) intentional self-inflicted injuries while sane; or
- (g) job-related or on-the-job injury.

We do not pay any benefits for any period of *disability*:

- (1) during which you are confined to a facility as a result of your conviction of a crime;
- (2) during which you are receiving medical treatment or care outside the United States or Canada unless expressly authorized by us;
- (3) which starts before you are insured by this *plan*; or
- (4) during which your loss of earnings is not solely due to your *disability*.

B340.1277

Services

Rehabilitation and Case Management We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *weekly benefit* if you do not accept it.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;
- (c) consulting with your *doctor* on your return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining; and
- (f) assistance with child care expenses you incur in order to participate in a *rehabilitation program*. (See the Dependent Care Expenses section of this *plan*.)

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *weekly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *weekly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefits from this *plan* end;
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

Dependent Care Expenses

While you are participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) you incur expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

A qualified dependent is: (a) dependent upon you for main support and maintenance; and (b) under the age of fourteen and your: (i) biological child; (ii) lawfully adopted child; (iii) stepchild; or (iv) any other child who is living with you in a regular parent-child relationship.

The dependent care expense benefit will be the lesser of: (a) \$100 per week per qualified dependent; not to exceed \$300 per week for all qualified dependents combined; and (b) the actual weekly day care expense incurred by you.

We will stop paying the dependent care expense benefit on the earlier of the date you are no longer: (a) incurring dependent care expenses for a qualified dependent; (b) participating in a *rehabilitation program*; or (c) entitled to receive a *weekly benefit* from this *plan*.

**Worksite
Modification Benefit**

In order to accommodate your *disability*, an employer may incur a cost to modify your worksite. We may reimburse the employer, up to \$2,500 for the cost of the worksite modification. We make this payment if we agree that the modification will enable you to: (a) return to work; or (b) remain at work.

CGP-3-STD07-8.1

B340.0058

Claim Provisions

Authority We have the sole discretionary authority to: (a) interpret the terms of this *plan*; and (b) determine your eligibility for: (i) coverage; and (ii) benefits under the *plan*. All such determinations are conclusive and binding, except that they may be modified or reversed by a court or regulatory agency with appropriate jurisdiction.

Notice You must send us written notice of your intent to file a claim under this *plan* as described in "Accident and Health Claims Provisions." Failure to give notice within the time required will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as reasonably possible.

For details, you can call Guardian at 1-800-268-2525.

Proof of Loss When we receive your notice, we will provide you with a claim form for filing proof of loss. This form requires data from the *employer*, you, and the *doctor(s)* treating you for your *sickness* or *injury*. Proof of loss must be given to us within the time stated in "Accident and Health Claims Provisions." If you do not receive a claim form within 15 days after we receive any notice of claim under this *plan*, you will be deemed to have complied with the requirements of this *plan* as to proof of loss upon submitting within the time stated in "Accident and Health Claims Provisions," written proof covering the occurrence, character and extent of the loss for which the claim is made. You should send us written proof of loss without waiting for the form.

Proof of loss, provided at your expense, consists of the following. Failure to provide this information may delay, suspend, reduce or terminate your benefits.

- (a) The date *disability* began;
- (b) Your last day of *active work*;
- (c) The cause of *disability*;
- (d) The extent of *disability*, including limitations and restrictions preventing you from performing the material and substantial duties of your *own job*.
- (e) If your occupation requires that you carry liability or malpractice insurance, any changes to such insurance that become effective on or after the date of *disability*;

Authorization Required You must provide us with written, unaltered authorizations to obtain medical, financial, vocational, occupational, and governmental information required to determine our liability under this *plan*. You must provide us with such authorizations as often as we may require, in order that they remain current. Failure to provide such authorizations may delay, suspend or terminate your benefits.

Right to Request Medical, Financial or Vocational Assessment We may ask you to take part in a medical, financial, vocational or other assessment that we feel is necessary to determine whether the terms of the *plan* are met. We may require this as often as we feel is reasonably necessary. We will pay for all such assessments. If you do not take part in or cooperate with the assessment, we have the right to stop or suspend your payments under this *plan*.

Ongoing Proof of Loss To continue to receive payments from this *plan*, you must give us current proof of loss as often as we may reasonably require. Ongoing proof of loss must be provided to us within 90 days of the date we request it. Failure to give such notice within such time will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as reasonably possible.

Payment of Benefits We pay benefits to you, if you are legally competent. If you are not, we pay benefits to the legal representative of your estate. Benefits are paid in US dollars.

Overpayment Recovery If we overpaid you, you must repay us in full. We have the right to reduce your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

B340.0671

Insured Earnings: Only a covered person's earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of the covered person's *insured earnings* as of the Redetermination date immediately prior to the start of his or her *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 52.

- (a) His or her compensation as an employee or S Corporation shareholder, as reported on his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) His or her non-passive income (loss) from trade or business as reported on Schedule E-Part II of his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on his or her Return; and
- (c) His or her contributions during the prior calendar year, deposited into a:
 - (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and
 - (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

The covered person may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, the covered person's earnings are based on the weekly average of the sum of the listed amounts, averaged for the full number of weeks that he or she was a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average weekly net profit as determined from Schedule C - Part II of the covered person's Federal Income Tax Return, Form 1040, for the prior calendar year; plus (b) the covered person's average weekly contribution during the prior calendar year deposited into a:

- (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and
- (ii) a Section 125 plan or flexible spending account.

Weekly net profit is calculated as gross income less total expenses. The covered person may not have been a sole proprietor for the previous calendar year. In this case, we calculate average weekly net profit and average weekly contributions using the full number of weeks that he or she was a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means the covered person's average rate of weekly earnings determined from his or her annual contract salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means the covered person's average rate of weekly earnings as figured from the 1099 form received from the *employer* for the prior calendar year, calculated as (a) minus (b), divided by 52 or the number of weeks the covered person worked for the *employer* during such calendar year, if less than 52.

- (a) his or her earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of his or her Federal Income Tax Return, Form 1040.

Insured earnings also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

W-2, Preceding Calendar Year:

Insured earnings means the covered person's rate of weekly earnings as figured from the W-2 form received from the *employer* for the prior calendar year. We include as earnings: (a) taxable earned income, including: (i) bonuses; (ii) commissions; and (iii) overtime pay; (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account; and (c) contributions to a cash or deferred compensation plan, or a salary reduction plan, qualified under IRC Section 401(k), 403(b) or 457, as reported on the covered person's W-2 form. We do not include as earnings: (1) expense accounts and other extra compensation; (2) stock options exercised; or (3) *employer* contributions to a cash or deferred compensation plan or salary reduction plan. If the covered person was not employed by the *employer* for the entire prior calendar year, *insured earnings* are based on the weekly average of the sum of the listed amounts, averaged for the full number of weeks that he or she was employed by the *employer*, during such calendar year.

CERTIFICATE AMENDMENT

(To be attached to certificates issued to employees)

Group Policy No.: G-00477134-

Issued to: CAMDENTON RIII SCHOOL DISTRICT

Amendment Effective: July 1, 2012

- 1) This rider amends this plan's short-term disability "pre-existing conditions" provision so that minimum and / or maximum ranges for numeric values in certificate form CGP-3-STD07-6.1-MO are as shown below.

Pre-Existing Conditions A pre-existing condition is an *injury* or *sickness*, for which, in the look back period, you received medical advice or treatment from a *doctor*.

The "look-back period" is the 3 months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

For any disability: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition, we limit the *maximum payment period* to 2 weeks; unless the disability starts after you are insured under this *plan* for 12 months in a row.

A covered person's *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in his or her benefit election which increases the benefit payable by this *plan*. In this case, the covered person's benefit will be limited to the amount that would have been payable had the change not take place. But, this does not apply if the covered person's *disability* starts after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before the covered person's insurance under this *plan*.

- 2) This rider amends this plan's short-term disability "highlights" so that minimum and / or maximum ranges for numeric values of the maximum payment period in certificate form CGP-3-STD07-HL are as shown below.

Maximum Payment Period For disability due to *injury* 13 weeks

For disability due to *sickness* 13 weeks

Payments for a pre-existing condition will be limited to a maximum of 2 weeks.

Certificate Amendment (Cont.)

All terms and conditions of your certificate not specifically changed herein remain in full force and effect.

Employee Coverage

Eligible Employees To be eligible for *employee* coverage you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions If you must pay all or part of the cost of *employee* coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we consider you to be a late entrant.

If you initially waived dental coverage under this *plan* because you were covered under another group *plan*, and you now elect to enroll in the dental coverage under this *plan*, the Penalty for Late Entrants provision will not apply to you with regard to dental coverage provided your coverage under the other *plan* ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's *plan*; (c) divorce; (d) death of your spouse; or (e) termination of the other *plan*.

But you must enroll in the dental coverage under this *plan* within 30 days of the date that any of the events described above occur.

When Your Coverage Starts *Employee* benefits are scheduled to start on your effective date.

But you must be actively at work on a *full-time* basis on the scheduled effective date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on the date your insurance is scheduled to start, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, your effective date is not a regularly scheduled work day. But coverage will still start on that date if you were actively at work on a *full-time* basis on your last regularly scheduled work day.

B489.0070

When Your Coverage Ends Your coverage ends on the last day of the month in which your active *full-time* service ends for any reason, other than disability. Such reasons include retirement, layoff, leave of absence and the end of employment.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time.

Your *eligible dependents* are: (a) your legal spouse; (b) your unmarried dependent children who are under age 26; and (c) your unmarried dependent children from age 26 until their 26th birthday, who are enrolled as full-time students at accredited schools.

An unmarried dependent child who is not able to remain enrolled as a full-time student due to a *medically necessary* leave of absence may continue to be an *eligible dependent* until the earlier of: (a) the date that is one year after the first day of the *medically necessary* leave of absence; or (b) the date on which coverage would otherwise end under this *plan*. You must provide written certification by a treating physician which states that the child is suffering from a serious illness or injury and that the leave of absence is *medically necessary*.

Dependent Coverage (Cont.)

Adopted Children And Step-Children Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted from the time the child is placed in your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

Dependents Not Eligible We exclude any dependent who is insured by this *plan* as an *employee*. And we exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.0

B264.0007

Handicapped Children You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself or herself. Subject to all of the terms of this coverage and the *plan*, such a child may stay eligible for dependent benefits past this coverage's age limit.

The child will stay eligible as long as he or she stays unmarried and unable to support himself or herself, if: (a) his or her conditions started before he or she reached this coverage's age limit; (b) he or she became insured by this coverage before he or she reached the age limit, and stayed continuously insured until he or she reached such limit; and (c) he or she depends on you for most of his or her support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his or her support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

Waiver Of Dental Late Entrants Penalty If you initially waived dental coverage for your spouse or eligible dependent children under this plan because they were covered under another group plan, and you now elect to enroll them in the dental coverage under this plan, the Penalty for Late Entrants provision will not apply to them with regard to dental coverage provided their coverage under the other plan ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan.

But you must enroll your spouse or eligible dependent children in the dental coverage under this plan within 30 days of the date that any of the events described above occur.

In addition, the Penalty for Late Entrants provision for dental coverage will not apply to your spouse or eligible dependent children if: (a) you are under legal obligation to provide dental coverage due to a court-order; and (b) you enroll them in the dental coverage under this plan within 30 days of the issuance of the court-order.

CGP-3-DEP-90-5.0

B200.0749

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, each of your *initial dependents* is a late entrant and is subject to any applicable late entrant penalties. The dependent's coverage is scheduled to start on the first of the month which coincides with or next follows the date you sign the enrollment form.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

If you do this within 31 days of the date the *newly acquired dependent* becomes eligible, the dependent's coverage will start on the date the dependent first becomes eligible. If you fail to notify us on time, the *newly acquired dependent*, when enrolled, is a late entrant and is subject to any applicable late entrant penalties. The late entrant's coverage is scheduled to start on the date you sign the enrollment form.

Exception If a dependent, other than a newborn child, is confined to a *hospital* or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

Newborn Children We cover your newborn child for dependent benefits, from the moment of birth if: (a) you are already covered for dependent child coverage when the child is born; or (b) you enroll the child and agree to make any required premium payments within 31 days of the date the child is born. If you fail to do this, once the child is enrolled, the child is a late entrant, is subject to any applicable late entrant penalties, and will be covered as of the date you sign the enrollment form.

When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your coverage ends. But if you die while insured, we'll automatically continue dependent benefits for those of your dependents who were insured when you died. We'll do this for six months at no cost, provided: (a) the group plan remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

Dependent Coverage (Cont.)

If a surviving dependent elects to continue his or her dependent benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay all or part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this coverage's age limit, when he or she marries, or when a step-child is no longer dependent on you for support and maintenance. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time.

DENTAL EXPENSE INSURANCE

This insurance will pay many of a *covered person's* dental expenses. *We* pay benefits for covered charges incurred by a *covered person*. What *we* pay and terms for payment are explained below.

CGP-3-DG2000

B498.0007

Covered Charges

Covered charges are reasonable and customary charges for the dental services named in this *plan's* List of Covered Dental Services. To be covered by this *plan*, a service must be: (a) necessary; (b) appropriate for a given condition; and (c) included in the List of Covered Dental Services.

We may use the professional review of a *dentist* to determine the appropriate benefit for a dental procedure or course of treatment.

By reasonable, *we* mean the charge is the *dentist's* usual charge for the service furnished. By customary, *we* mean the charge made for the given dental condition isn't more than the usual charge made by most other *dentists*. But, in no event will the covered charge be greater than the 90th percentile of the prevailing fee data for a particular service in a geographic area.

When certain comprehensive dental procedures are performed, other less extensive procedures may be performed prior to, at the same time or at a later date. For benefit purposes under this *plan*, these less extensive procedures are considered to be part of the more comprehensive procedure. Even if the *dentist* submits separate bills, the total benefit payable for all related charges will be limited to the maximum benefit payable for the more comprehensive procedure. For example, osseous surgery includes the procedure scaling and root planing. If the scaling and root planing is performed one or two weeks prior to the osseous surgery, *we* may only pay benefits for the osseous surgery.

We only pay benefits for covered charges incurred by a *covered person* while he or she is insured by this *plan*. A covered charge for a crown, bridge or cast restoration is incurred on the date the tooth is initially prepared. A covered charge for any other *dental prosthesis* is incurred on the date the first master impression is made. A covered charge for root canal treatment is incurred on the date the pulp chamber is opened. All other covered charges are incurred on the date the services are furnished. If a service is started while a *covered person* is insured, *we'll* only pay benefits for services which are completed within 31 days of the date his or her coverage under this *plan* ends.

CGP-3-DGY2K-CC

B498.0243

Alternate Treatment

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by us. For example, in the case of bilateral multiple adjacent teeth, or multiple missing teeth in both quadrants of an arch, the benefit will be based on a removable partial denture. In the case of a composite filling on a *posterior tooth*, the benefit will be based on the corresponding amalgam filling benefit.

Proof Of Claim

So that we may pay benefits accurately, the *covered person* or his or her *dentist* must provide us with information that is acceptable to us. This information may, at our discretion, consist of radiographs, study models, periodontal charting, narratives or other diagnostic materials that document *proof of claim* and support the necessity of the proposed treatment. If we don't receive the necessary information, we may pay no benefits, or minimum benefits. However, if we receive the necessary information within 15 months of the date of service, we will redetermine the *covered person's* benefits based on the new information.

CGP-3-DGY2K-AT

B498.0002

Pre-Treatment Review

When the expected cost of a proposed course of treatment is \$300.00 or more, the *covered person's dentist* should send us a treatment plan before he or she starts. This must be done on a form acceptable to *Guardian*. The treatment plan must include: (a) a list of the services to be done, using the American Dental Association Nomenclature and codes; (b) the itemized cost of each service; and (c) the estimated length of treatment. In order to evaluate the treatment plan, dental radiographs, study models and whatever else will document the necessity of the proposed course of treatment, must be sent to us.

We review the treatment plan and estimate what we will pay. We will send the estimate to the covered person and/or the covered person's dentist. If the treatment plan is not consistent with accepted standards of dental practice, or if one is not sent to us, we have the right to base our benefit payments on treatment appropriate to the covered person's condition using accepted standards of dental practice.

The covered person and his or her dentist have the opportunity to have services or a treatment plan reviewed before treatment begins. Pre-treatment review is not a guarantee of what we will pay. It tells the covered person, and his or her dentist, in advance, what we would pay for the covered dental services listed in the treatment plan. But, payment is conditioned on: (a) the services being performed as proposed and while the covered person is insured; and (b) the deductible, payment rate and payment limits provisions, and all of the other terms of this plan.

Pre-Treatment Review (Cont.)

Emergency treatment, oral examinations, evaluations, dental radiographs and teeth cleaning are part of a course of treatment, but may be done before the pre-treatment review is made.

We won't deny or reduce benefits if pre-treatment review is not done. But what we pay will be based on the availability and submission of proof of claim.

Benefits From Other Sources

Other plans may furnish benefits similar to the benefits provided by this *plan*. For instance, you may be covered by this *plan* and a similar plan through your spouse's employer. You may also be covered by this *plan* and a medical plan. In such instances, we coordinate *our* benefits with the benefits from that other plan. *We* do this so that no one gets more in benefits than the charges he or she incurs. Read "Coordination of Benefits" to see how this works.

The Benefit Provision - Qualifying For Benefits

CGP-3-DGY2K-BEN

B498.0072

Penalty For Late Entrants During the first 6 months that a late entrant is covered by this *plan*, we won't pay for the following services:

- All Group II Services.

Charges for the services we don't cover under this provision are not considered to be covered charges under this *plan*, and therefore can't be used to meet this *plan's* deductibles.

We don't apply a late entrant penalty to covered charges incurred for services needed solely due to an *injury* suffered by a *covered person* while insured by this *plan*.

A late entrant is a person who: (a) becomes covered by this dental *plan* more than 31 days after he or she is eligible; or (b) becomes covered again, after his or her coverage lapsed because he or she did not make required payments.

B498.0228

How We Pay Benefits For Group I And II Non-Orthodontic Services There is no deductible for Group I services. *We* pay for Group I covered charges at the applicable *payment rate*.

A *benefit year* deductible of \$50.00 applies to Group II services. Each *covered person* must have covered charges from this service group which exceeds the deductible before *we* pay him or her any benefits for such charges. These charges must be incurred while the *covered person* is insured.

Benefit Provision - Qualifying For Benefits (Cont.)

Once a *covered person* meets the deductible, we pay for his or her Group II covered charges above that amount at the applicable *payment rate* for the rest of that *benefit year*.

CGP-3-DGY2K-BP B498.0190

All covered charges must be incurred while insured. And we limit what we pay each benefit year to \$750.00.

CGP-3-DGY2K-BP B498.0192

**Non-Orthodontic
Family Deductible
Limit**

A *covered family* must meet no more than three individual *benefit year* deductibles in any *benefit year*. Once this happens, we pay benefits for covered charges incurred by any *covered person* in that *covered family*, at the applicable *payment rate* for the rest of that *benefit year*. The charges must be incurred while the person is insured. What we pay is based on this *plan's payment limits* and to all of the terms of this *plan*.

CGP-3-DGY2K-FL B498.0073

Payment Rates

Benefits for covered charges are paid at the following *payment rates*:

CGP-3-DGY2K-TL B498.0133

**If This Plan
Replaces The Prior

Special Limitations (Cont.)

- **Teeth Extracted While Insured By The Prior Plan** - The "Teeth Lost, Extracted or Missing Before A Covered Person Becomes Covered By This Plan" provision above, does not apply to a *covered person's dental prosthesis* which replaces teeth: (a) that were extracted while the *covered person* was insured by the *prior plan*; and (b) for which extraction benefits were paid by the *prior plan*.
- **Deductible Credit** - In the first *benefit year* of this *plan*, we reduce a *covered person's* deductibles required under this *plan*, by the amount of covered charges applied against the *prior plan's* deductible. The *covered person* must give us proof of the amount of the *prior plan's* deductible which he or she has satisfied.
- **Benefit Year Non-Orthodontic Payment Limit Credit** - In the first *benefit year* of this *plan*, we reduce a *covered person's benefit year payment limits* by the amounts paid or payable under the *prior plan*. ELIGIBILITY FOR VISION CARE EXPENSE COVERAGE

B505.0152

Employee Vision Care Expense Coverage

Eligible Employees To be eligible for employee coverage under this *plan*, you must be an active *full-time employee*. And you must belong to a class of employees covered by this *plan*.

Other Conditions You must enroll and agree to make required payments within 31 days of your *eligibility date*. If you fail to do so, you can't enroll until this *plan's* next vision open enrollment period.

This *plan's* vision open enrollment period occurs from May 1st to June 30th of each year.

Once you enroll in this *plan*, you can't drop your vision coverage until this *plan's* next vision open enrollment period. And if you drop your vision coverage, you can't enroll again until the next vision open enrollment period.

If you initially waived vision coverage under this *plan* because you were covered for vision care benefits under another group plan, and you wish to enroll in this *plan* because your coverage under the other plan ends, you may do so without waiting until the next vision open enrollment period. However, your coverage under the other plan must have ended due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan. But you must enroll in this *plan* within 30 days of the date that any of these events occur.

When Your Coverage Starts Your coverage under this *plan* is scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet. But you must be actively at work on a *full-time* basis on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on that date, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, the effective date shown on the sticker is not a regularly scheduled work day. But your coverage will still start on that date if you were actively at work on your last regularly scheduled work day.

CGP-3-EC-90-2.0

B505.0075

When Your Coverage Ends Your coverage under this *plan* ends on the last day of the month in which your active *full-time* service ends for any reason. Such reasons include disability, retirement, layoff, leave of absence and the end of employment.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this plan, or when this plan ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

Employee Vision Care Expense Coverage (Cont.)

If you are required to pay part of the cost of this *plan* and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue vision care benefits for a limited time.

Important Notice This section may not apply. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

If Your Group Coverage Would End Group coverage may normally end for an *employee* because he or she ceases work due to an approved leave of absence. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

When Continuation Ends Coverage may continue until the earliest of the following:

- The date you return to active work.
- The end of a total leave period of 26 weeks in one 12 month period, in the case of an *employee* who cares for a covered servicemember. This 26 week total leave period applies to all leaves granted to the *employee* under this section for all reasons.
- The end of a total leave period of 12 weeks in: (a) any 12 month period, in the case of any other *employee*; or (b) any later 12 month period in the case of an *employee* who cares for a covered servicemember.
- The date on which your coverage would have ended had you not been on leave.
- The end of the period for which the premium has been paid.

Dependent Vision Care Expense Coverage

CGP-3-DEP-90-1.0

Eligible Dependents For Dependent Vision Care Benefits

Your *eligible dependents* are: (a) your legal spouse; (b) your unmarried dependent children who are under age 26; and (c) your unmarried dependent children from age 26 until their 26th birthday, who are enrolled as full-time students at accredited schools.

An unmarried dependent child who is not able to remain enrolled as a full-time student due to a *medically necessary* leave of absence may continue to be an *eligible dependent* until the earlier of: (a) the date that is one year after the first day of the *medically necessary* leave of absence; or (b) the date on which coverage would otherwise end under this *plan*. You must provide written certification by a treating physician which states that the child is suffering from a serious illness or injury and that the leave of absence is *medically necessary*.

Dependent Vision Care Expense Coverage (Cont.)

Adopted Children And Step-Children Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted from the time the child is placed in your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

We exclude any dependent who is insured by this *plan* as an *employee*. And we exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.0

B505.0112

Handicapped Children You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself. Subject to all of the terms of this section and the *plan*, such a child may stay eligible for dependent vision care benefits past this *plan's* age limit.

The child will stay eligible as long as he stays unmarried and unable to support himself, if: (a) his conditions started before he reached this *plan's* age limit; (b) he became insured by this *plan* before he reached the age limit, and stayed continuously insured until he reached such limit; and (c) he depends on you for most of his support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

CGP-3-DEP-90-4.0

B505.0119

When Dependent Coverage Starts In order for your dependent coverage to begin, you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this plan, the date your dependent coverage starts depends on when you elect to enroll all of your initial *dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, date, your dependent coverage is scheduled to start on the later of the date you sign the enrollment form and the date you become covered for employee coverage.

If you do this within 31 days of your *eligibility date*, date, your dependent coverage is scheduled to start on the date you become covered for employee coverage.

If you do this after the enrollment *period* ends, you can't enroll your initial *dependents* until the next vision open enrollment period.

Once you have coverage for your initial *dependents*, you must notify us when you acquire any new dependents, and agree to make any additional payments required for the coverage. If you do this within 31 days of the date the newly *acquired dependent* becomes eligible, the dependent's coverage will start on the date the dependent becomes eligible. If you fail to notify us on time, you can't enroll the newly *acquired dependent* until the next vision open enrollment period.

Once a dependent is enrolled for vision care expense insurance, the coverage can't be dropped until the next vision open enrollment period. And once coverage is dropped for a dependent, the dependent can't be enrolled again until the next vision open enrollment period.

CGP-3-DEP-90-6.0

B505.0714

Exception If a dependent, other than a newborn child, is confined to a hospital or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

B505.0132

Newborn Children We cover your newborn child from the moment of birth if you're already insured for dependent vision coverage, and you notify us within 31 days of the child's birth. If you fail to notify us on time, you can't enroll the child until the next vision open enrollment period.

If the newborn child is your first *eligible dependent*, we cover the child from the moment of birth if you enroll for dependent coverage and agree to make any required payments within 31 days of the child's birth. If you fail to enroll on time, you can't enroll the child until the next vision open enrollment period.

If the newborn child is not your first *eligible dependent*, but you did not previously enroll your other *eligible dependents* for vision care expense coverage, you can enroll the child during the next vision open enrollment period, if you also enroll all of your other *eligible dependents* at this time.

CGP-3-DEP-90-8.0

B505.0153

When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your employee coverage ends. But if you die while insured, we'll automatically continue dependent vision care benefits for those of your dependents who are insured when you die. We'll do this for six months at no cost, provided: (a) the group *plan* remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his dependent vision care benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of employees eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all employees or for an *employee's* class.

Dependent Vision Care Expense Coverage (Cont.)

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the *employee* for support and maintenance. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue vision care benefits for a limited time.

VISION CARE BENEFITS

This insurance will pay many of an *employee's* and his or her covered dependent's vision care expenses. What we pay and the terms for payment are explained below.

CGP-3-DAVIS-05-VIS

B505.0466

This Plan's Vision Care Preferred Provider Organization

Davis Vision: This *plan* is designed to provide a high quality vision care benefit while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek vision care from doctors and vision care facilities that belong to Davis Vision's Preferred Provider Network.

This vision care *preferred provider* organization (PPO) is made up of *preferred providers* in a *covered person's* geographic area. A vision care *preferred provider* is a vision care practitioner or a vision care facility that: (a) is a credentialed provider in Davis Vision's network; and (b) has a current participatory agreement in force with Davis Vision.

Use of the vision care PPO is voluntary. A *covered person* may receive vision care from either a *preferred provider* or a *non-preferred provider*. And, he or she is free to change providers at any time. But, this *plan* usually pays more in benefits for covered services furnished by a vision care *preferred provider*. Conversely, it usually pays less for covered services not furnished by a vision care *preferred provider*.

When an *employee* and his or her dependents enroll in this *plan*, they will get an enrollment packet which will tell them how to obtain benefits and information about current vision care *preferred providers*.

What we pay is based on all of the terms of this *plan*. The *covered person* should read this material with care and have it available when seeking vision care. Read this *plan* carefully for specific benefit levels, frequencies, *copayments* and payment limits.

The *covered person* can call Davis Vision if he or she has any questions after reading this material.

Choice of Preferred Providers When a person becomes enrolled in this *plan*, he or she will receive information about Davis Vision *preferred providers* in his or her area. A *covered person* may receive vision services from any current Davis Vision *preferred provider*.

When a *covered person* wants to receive services from a *preferred provider*, he or she must contact the *preferred provider* before receiving treatment. The *preferred provider* will contact Davis Vision to verify the *covered person's* eligibility before any treatment takes place.

It is not necessary to submit a claim for services or supplies from a *preferred provider*.

Non-Preferred Providers If a *covered person* receives services or supplies from a *non-preferred provider*, he or she must submit a claim form along with the itemized bill to Davis for claims payment. All claims must be sent to Davis within 90 days of the date services are completed or supplies are received.

This Plan's Vision Care Preferred Provider Organization (Cont.)

Claims for services or supplies from a *non-preferred provider* must be sent to:

Appeals Process

In the event that a claim is denied, Davis Vision will consult with the provider involved with the *covered person's* vision care treatment. If the issue cannot be resolved, the provider or patient has the right to request a review of the adverse determination. The provider, *covered person* or patient may appeal denied authorizations or claim decisions. Should a *covered person* request a review of an authorization or claim decision, Davis Vision must notify the *covered person*, or his or her designee, within five (5) business days of receipt of the request and the review must be conducted by a clinical peer who was not involved in the original vision care determination. Pre-service review decisions are to be completed within fifteen (15) days and post-service review decisions are to be completed within thirty (30) days, or as required by state statute, from the date that Davis Vision receives notification from the *covered person* or his or her designee and be mailed within five (5) days of the date of decision. Denials can be appealed through Davis Vision's Grievance Resolution Process or as per plan contract. A *covered person* has the right to contact the Missouri Department of Insurance Customer Department at any time for comment or to file a complaint. The toll-free telephone number is 1-800-726-7390. A *covered person* has the right to appeal through an external review organization at any time during the grievance process. A *covered person* has the right to designate a representative, including his or her provider, to act on his or her behalf with regard to review of a vision care claim determination. Use of the Appeals Process does not waive the *covered person's* legal rights.

Grievance Process

Registering a Complaint or Grievance A *covered person* has the right to file a grievance or make an appeal to any claim decision at any time. The *covered person* has the right to designate a representative to file complaints and appeals on his or her behalf.

A *covered person* is entitled to a copy of the Grievance Resolution process upon request and a copy will be provided to a *covered person* should the determination be made that vision care benefits are not available.

Davis Vision defines a "grievance" as a complaint that may or may not require specific corrective action and is made:

1. via the telephone;
2. in writing to Davis Vision;
3. via the Davis Vision website.

Grievance Process (Cont.)

A grievance or complaint can arise from and includes but is not limited to the following:

1. benefit denials.
2. an adverse determination as to whether a service is covered pursuant to the terms of the contract.
3. difficulty accessing or utilizing a benefit, and issues regarding the quality of vision care services.
4. challenges with vision care services or products received.
5. dissatisfaction with the resolution of a complaint/grievance or appeal.

Verbal Grievances and Telephone Communication

A *covered person* may file a verbal grievance by contacting Davis Vision. Registering a grievance by telephone will be considered filing a "formal grievance". A Davis Vision associate will acknowledge receipt of all complaints in writing within five (5) business days from the date the grievance or appeal is received.

A *covered person* has access to the Davis Vision toll free number twenty-four (24) hours a day seven (7) days a week to voice any concern or grievance and also has the right to contact their Human Resources Department or Benefits Administration Department. The Davis Vision Toll Free number is: **1 (800) 584-1487**.

Written Grievances

Written notice of grievances received via e-mail, U.S. Mail or other written correspondence will be acknowledged within five (5) business days. All written correspondence should be addressed to:

**Davis Vision
159 Express Street
Plainview, New York 11803
Attention: Quality Assurance/Patient Advocate Department**

A *covered person* can register any concern or grievance by logging on to Davis' website: www.davisvision.com and entering the "Contact Davis Vision" area.

Internal Grievance Procedure

Appeal Level 1 Upon receipt of a concern or grievance by a Davis Vision associate, the *covered person* is contacted by telephone, or in writing, within five (5) business days to confirm that the concern or grievance was received and is being investigated. Every attempt is made to contact the *covered person* or his or her designated representative. Contact may include but is not limited to telephone contact, e-mail or U.S. Mail. A designated Davis Vision associate reviews the appeal with the *covered person* and may request additional information. Details of the complaint are documented in the *covered person's* file. The *covered person* is given the Associate's name, phone number, department and the estimated time needed to perform the research. The *covered person* is informed of their right to have a representative, including their provider, present during the review of the concern and final outcome of the investigation. The *covered person* is informed of their right to appeal to an external review organization at any time during the grievance procedure or as required by state statute.

The review committee will include a licensed (peer) health care professional when grievances pertain to clinical decisions. All decisions are reviewed and approved by the Vice President of Professional Affairs, a licensed optometrist.

The investigation may involve contacting the provider or the point of service location to determine the cause of the concern. If necessary, the Regional Quality Assurance Representative (RQAR) or Professional Field Consultant (PFC) will be contacted and a site visit may be scheduled. Davis Vision will contact the *covered person* when further information is required and inform them of the status of the investigation or the need for more information.

CGP-3-DAVIS-05-APP-1-MO

B505.0497

The determination will be communicated to the *covered person* within fifteen (15) days for pre-service review decisions and within thirty (30) days for post-service review decisions, or as required by state statute. An additional ten (10) days may be requested in order to complete further research. The written decision will be mailed to the *covered person* within five (5) days of the decision. The appeal determination will include the following:

- the decision, and will include a summary of the facts related to the issue,
- the criteria that was used, summary of the evidence, including the documentation supporting the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing to the Quality Assurance/Patient Advocate Department within fifteen (15) business days of the date of the notice of the decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of the person(s) responsible for the decision.

The decision of the Quality Assurance/Patient Advocate Department shall be final and binding unless appealed by the *covered person* to Davis Vision within fifteen (15) business days of the date of notice of the decision.

Internal Grievance Procedure (Cont.)

Appeal Level 2 Should Davis Vision uphold a denial, as the result of a Level 1 review, the *covered person* has the right to request a Level 2 appeal.

A Level 2 appeal will not include associate(s) or licensed (peer) health care professional(s) that were involved in the Level 1 review.

The *covered person* requesting a Level 2 appeal must indicate the reason they believe the denial of coverage was incorrect. Davis Vision reserves the right to request further information from the *covered person* or provider.

Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 pre-service review. Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 post-service review. The Vice President of Professional Affairs will review all clinical appeals. A Davis Vision Associate(s) and a Regional Quality Assurance Representative(s) (RQAR), a licensed optometrist, not involved in the initial determination and other enrollees will review the Level 1 decision. If the Level 2 appeal upholds the Level 1 determination the *covered person* will be notified in writing of this decision. Notification will include, but not be limited to:

- the decision, and contain a summary stating the nature of the concern and the facts related to the issue,
- the criteria that was used, summary of the evidence, including documentation that was used to support the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing or by telephone to the Quality Assurance/Patient Advocacy Department within forty-five (45) days of the date of the notice of the Level 2 decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of person(s) responsible for the decision.

External Grievance Procedure

External Review A *covered person*, as required by state statute, has the right to request an impartial review of concerns that resulted in a denial of coverage. A *covered person* who has exhausted the internal appeals process may appeal the final decision if the denial for services was not deemed medically necessary or the requested service was deemed Investigational or Experimental.

An external review organization will refer the case for review by a neutral, independent practitioner experienced in vision care. Davis Vision will provide all requested documentation to the external review organization. The external review organizations will have up to thirty (30) days, or as required by state statute, to make their determination.

External Review Process A *covered person* has the right to an external review of a denial of coverage. A *covered person* has the right to an external review of a final adverse decision under the following circumstances:

External Grievance Procedure (Cont.)

- the *covered person* has been denied a vision care service, which should have been covered under the terms of the contract.
- services were denied on the basis that requested services were not medically necessary.
- a treatment or service that will have a significant positive impact on the *covered person* has been denied and any alternative service or treatment will not affect the *Covered person's* ocular health and/or produce a negative outcome.
- services denied are related to a current illness or injury.
- the cost of the requested services will not exceed that of any equally effective treatment.
- the denied service, procedure or treatment is a covered benefit under the *Covered person's* policy.
- the *covered person* has exhausted all internal appeal processes with an adverse determination upheld at each level.

Investigational or Experimental Treatment means an approved ocular diagnostic procedure warranted by the ocular health of the *covered person* and the subsequent diagnostic findings could alter the *covered person's* treatment plan. The risk of a negative outcome utilizing the approved treatment would be no greater than utilizing an alternative treatment.

The vision care provider may contact the appropriate State Agency to determine if other documentation may be required for the appeal process.

Once the determination is made, notification is made, in writing, within two (2) business days. This notification will include an explanation and the clinical criteria used in the decision.

CERTIFICATE AMENDMENT

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends the Dental Expense Insurance provisions of the Group Policy as follows:

The Alternate Treatment provision is changed to read as follow when titanium or high noble metal (gold) is used in a *dental prosthesis*.

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by us. For example, in the case of bilateral multiple adjacent missing teeth, or multiple missing teeth in both quadrants of an arch the benefit will be based on a removable partial denture. In the case of titanium or high noble metal (gold) used in a *dental prosthesis*, the benefit will be based on the noble metal benefit. In the case of a composite filling on a posterior tooth, the benefit will be based on the corresponding covered amalgam filling benefit.

This rider is part of the Policy. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this Policy.

COORDINATION OF BENEFITS

Important Notice This section applies to all group health benefits under this plan; except prescription drug and vision coverage, if any. It does not apply to any death, dismemberment, or loss of income benefits that may be provided under this plan.

Purpose When a covered person has health care coverage under more than one plan, this section allows this plan to coordinate what it pays with what other plans pay. This is done so that the covered person does not collect more in benefits than he or she incurs in charges.

Definitions

Allowable Expense This term means any necessary, reasonable, and customary item of health care expense that is covered, at least in part, by any of the plans which cover the person. This includes: (a) deductibles; (b) coinsurance; and (c) copayments. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid.

An expense or service that is not covered by any of the plans is **not** an allowable expense. Examples of other expenses or services that are **not** allowable expenses are:

- (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is **not** an allowable expense. This does not apply if: (a) the stay in the private room is medically necessary in terms of generally accepted medical practice; or (b) one of the plans routinely provides coverage for private hospital rooms.
- (2) The amount a benefit is reduced by the primary plan because a person does not comply with the plan's provisions is **not** an allowable expense. Examples of these provisions are: (a) precertification of admissions and procedures; (b) continued stay reviews; and (c) preferred provider arrangements.
- (3) If a person is covered by two or more plans that compute their benefit payments on the basis of reasonable and customary charges, any amount in excess of the primary plan's reasonable and customary charges for a specific benefit is **not** an allowable expense.
- (4) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the primary plan's negotiated fees for a specific benefit is **not** an allowable expense.

Definitions (Cont.)

If a person is covered by one plan that computes its benefits or services on the basis of reasonable and customary charges and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's payment arrangements will be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefit.

- Claim** This term means a request that benefits of a plan be provided or paid.
- Claim Determination Period** This term means a calendar year. It does not include any part of a year during which a person has no coverage under this plan, or before the date this section takes effect.
- Coordination Of Benefits** This term means a provision which determines an order in which plans pay their benefits, and which permits secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total allowable expenses.
- Custodial Parent** This term means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
- Group-Type Contracts** This term means contracts: (a) which are not available to the general public; and (b) can be obtained and maintained only because of membership in or connection with a particular organization or group. This includes, but is not limited to, franchise and blanket coverage.
- Hospital Indemnity Benefits** This term means benefits that are not related to expenses incurred. This term does not include reimbursement-type benefits even if they are designed or administered to give the insured the right to elect indemnity-type benefits at the time of claim.
- Plan** This term means any of the following that provides benefits or services for health care or treatment: (1) group insurance and group subscriber contracts; (2) uninsured arrangements of group or group-type coverage; (3) group or group-type coverage through health maintenance organizations (HMOs) and other prepayment, group practice and individual practice plans; (4) group-type contracts; (5) amounts of group or group-type hospital indemnity benefits in excess of \$100.00 per day; (6) medical benefits under group, group-type and individual automobile "no-fault" contracts, and under group or group-type traditional automobile "fault" type contracts; and (7) governmental benefits, except Medicare, as permitted by law.
- This term does not include individual or family: (a) insurance contracts; (b) subscriber contracts; (c) coverage through HMOs; or (d) coverage under other prepayment, group practice and individual practice plans. This term also does not include: (i) amounts of group or group-type hospital indemnity benefits of \$100.00 or less per day; (ii) school accident type coverage; or (iii) Medicare, Medicaid, and coverage under other governmental plans, unless permitted by law.

Definitions (Cont.)

This term also does not include any plan that this plan supplements. Plans that this plan supplements are named in the benefit description.

Each type of coverage listed above is treated separately. If a plan has two parts and coordination of benefits applies only to one of the two, each of the parts is treated separately.

Primary Plan This term means a plan that pays first without regard that another plan may cover some expenses. A plan is a primary plan if either of the following is true: (1) the plan either has no order of benefit determination rules, or its rules differ from those explained in this section; or (2) all plans that cover the person use the order of benefit determination rules explained in this section, and under those rules the plan pays its benefits first.

Secondary Plan This term means a plan that is not a primary plan.

This Plan This term means the group health benefits, except prescription drug and vision coverage, if any, provided under this group plan.

Order Of Benefit Determination

The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.

A plan may consider the benefits paid or provided by another plan to determine its benefits only when it is secondary to that other plan. If a person is covered by more than one secondary plan, the rules explained below decide the order in which secondary plan benefits are determined in relation to each other.

A plan that does not contain a coordination of benefits provision is always primary.

When all plans have coordination of benefits provisions, the rules to determine the order of payment are listed below. The first of the following rules that applies is the rule to use.

Non-Dependent Or Dependent The plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The plan that covers the person as a dependent is secondary.

But, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan that covers the person as a dependent; and primary to the plan that covers the person other than as a dependent (for example, as a retiree); then the order of payment between the two plans is reversed. In that case, the plan that covers the person as an employee, member, subscriber, or retiree is secondary and the other plan is primary.

Child Covered Under More Than One Plan The order of benefit determination when a child is covered by more than one plan is:

Order Of Benefit Determination (Cont.)

- (1) If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, the plan of the parent whose birthday is earlier in the year is primary. If both parents have the same birthday, the plan that covered either of the parents longer is primary. If a plan does not have this birthday rule, then that plan's coordination of benefits provision will determine which plan is primary.
- (2) If the specific terms of a court decree state that one of the parents must provide health care coverage and the plan of the parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods that start after the plan is given notice of the court decree.
- (3) In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, the order of benefit determination is: (a) the plan of the custodial parent; (b) the plan of the spouse of the custodial parent; and (c) the plan of the noncustodial parent.

Active Or Inactive Employee The plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The plan that covers a person as a laid off or retired employee, or as that person's dependent, is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Continuation Coverage The plan that covers a person as an active employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The plan that covers a person under a right of continuation provided by federal or state law is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Length Of Coverage The plan that covered the person longer is primary.

Other If the above rules do not determine the primary plan, the allowable expenses will be shared equally between the plans that meet the definition of plan under this section. But, this plan will not pay more than it would have had it been the primary plan.

B555.0239

Effect On The Benefits Of This Plan

When This Plan Is Primary When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits.

When This Plan Is Secondary When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans during a claim determination period are not more than 100% of total allowable expenses. When the benefits of this plan are reduced, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this plan.

If the primary plan is an HMO and an HMO member has elected to have health care services provided by a non-HMO provider, coordination of benefits will not apply between that plan and this plan.

Right To Receive And Release Needed Information

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under this plan and other plans. This plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under this plan and other plans which cover the person claiming benefits. This plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this plan must provide any facts it needs to apply these rules and determine benefits payable.

Facility Of Payment

A payment made under another plan may include an amount that should have been paid by this plan. If it does, this plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by this plan. This plan will not have to pay that amount again.

As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by this plan is more than it should have paid under this section, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for benefits or services provided for the covered person.

As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement Of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Statement of Erisa Rights (Cont.)

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Qualified Medical Child Support Order

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

Disability And Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA")

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or

service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Disability Benefits

Disability And Group Health Benefits Claims Procedure (Cont.)

Guardian will provide a benefit determination not later than 45 days after the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 45 days after receipt of the claim.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Group Health Benefits

Urgent Care Claims. Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

Disability And Group Health Benefits Claims Procedure (Cont.)

Pre-Service Claims. Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Post-Service Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a post- service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Concurrent Care Decisions. A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided (a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

Disability And Group Health Benefits Claims Procedure (Cont.)

- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
