Attention Dogwood Elementary Parents "Catch the Wave" and Become a Volunteer!

As Coordinator of Volunteer Services for the Camdenton R-III School District, I would like the opportunity to meet with you and tell you about the exciting volunteer possibilities at Dogwood Elementary. This usually involves the donation of time one morning or afternoon once a week, or perhaps every other week. We work with your schedule and it can be very flexible. The Dogwood Elementary staff looks forward to the additional help provided by the donation of even a small amount of your time.

*The volunteer program needs your support.
Volunteering is a great way to meet friends,
help your child's school, and have fun along the way.*

I hope you will contact my office, located in the Dogwood Elementary building, at 346-9243, e-mail me at jdickemann@camdentonschools.org, or complete the bottom portion of this letter and return it to the Dogwood Elementary office. Your time spent volunteering can make a difference in the quality of education. It's fun and your child will be excited you are coming to school too! Just a little volunteer time goes a very long way.

Sincerely,

Joi Dickemann
